"We are incredibly proud of the great work of D'Evelyn students," said D'Evelyn principal Josh Griffin. "Our students are fortunate to experience a traditional, liberal arts educational model at D'Evelyn. However, the hard work, dedication, and commitment to academic excellence demonstrated by D'Evelyn students are all essential to the great success they find both inside and outside the classroom."

The 2019 test administration marks the 19th consecutive year that D'Evelyn juniors have earned the highest average ACT or SAT scores among public, non-charter schools in Colorado.

"I am grateful for the knowledge, skill, and commitment of the D'Evelyn faculty," said Griffin. "To have this level of achievement in our great school for 19 years is a great tribute to the contributions of our faculty, many of whom have worked in the school for the past two decades."
